

# WHY BECOME PART OF THE FORGING FORUM?

## WHY TO GET INVOLVED ?

**FORGING** will build a Community of Experts and establish an Industry-Academia Forum.

The experts will be involved in **co-creation activities** to transform industry and society through the co-creation of **novel and responsible enabling technologies**.

## ADVANTAGES:

Becoming part of the Forum means that:

- You will be at the very **center of discussion around Industry 5.0** and **enabling emerging technologies**
- You will have the possibility to **meet experts from other disciplines** and across **academia or industry borders**
- You will have the opportunity to **exchange** ideas and experiences, tools, tips and good practices with **peers** from other regions in Europe and **co-create** the solutions of tomorrow
- You will contribute to **strategic reflections** directly communicated to the European Commission – **you will be part of the future of research and innovation**
